

STUDENT BEHAVIOR CODE

**I AM RESPECTFUL.
I AM RESPONSIBLE.
I AM SAFE.
I AM PREPARED.**

WE ARE HERE TO LEARN: THEREFORE, I WILL DO NOTHING TO KEEP THE TEACHER FROM TEACHING, AND ANYONE INCLUDING ME FROM LEARNING.

I WILL COOPERATE WITH ALL SCHOOL PEOPLE.

I WILL RESPECT MYSELF, OTHERS AND THE ENVIRONMENT.

BY ACTING IN THIS WAY, I AM CAPABLE, CARING AND CONTRIBUTING.

ACADEMIC HONESTY

Each student is to pursue his/her education with earnest. Cheating or other types of dishonesty will not be tolerated and consequences will be enforced.

ACADEMIC STANDARDS

The Board of Education strongly believes in the priority of academic standards for all students and wishes to comply with the N.J. State mandate regarding such standards. The Board has adopted Policy #6145, 6145.1, and 6145.2 regarding eligibility for participation in co-curricular activities and inter-scholastic athletics in grades 6-8. That policy is excerpted below.

"A student in grades 6-8 is ineligible for participation in co-curricular/inter-scholastic athletic activities if he or she has:

1. Failed any course that met three or more times per week in the preceding marking period, or,
2. Failed in two courses that met less than three times per week in the preceding marking period.

However, a student may become eligible if at the time of mid-marking period he/she demonstrates that he/she is passing in each of these subjects for the new marking period. Exceptions to these standards may be considered on an individual student basis."

"No student who has been absent for a school day may participate in a co-curricular activity

scheduled for the afternoon or evening of that school day without permission of the Principal."

This policy was adopted by the Board of Education on June 11, 1985.

ADDRESS CHANGE

Please inform the main office if you change your address or telephone number. If you are moving out of Mount Arlington, please contact the office as soon as possible.

ASSEMBLY PROGRAMS

Assemblies are a scheduled part of the curriculum and, as such, are designed to be educational as well as entertaining experiences. They provide one of the few opportunities in school to learn formal audience behavior. Regardless of the type of program, courtesy demands that the students be respectful and appreciative. Talking, whispering, and whistling are discourteous. Failure to act in an appropriate manner may result in removal from the program and possibly future programs.

ATTENDANCE

Notes signed by parents or guardians must be presented for all absences. The note must include:

1. Date of absence
2. Full name & homeroom of student
3. Specific reason for absence

Parents are requested to call the attendance office at 398-4400 between 8:15 a.m. and 8:45 a.m. on the first day a child is absent. If homework is requested for your child, please call the main office at this time. Should homework be requested later than this time, it may not be possible to comply with this request, but every effort will be made to do so.

The Principal should be notified when parents remove their child from school for more than one day for vacations or other reasons. Students are expected to make up any missed school work upon their return. Parents will be notified when their child has a high rate of absenteeism. Be aware that regular daily attendance is a requirement of the State of New Jersey (as defined in Title 18A:38-25 through 31) and is a requirement for promotion. **Please note:** Students staying after school for any reason must have written permission from their parent stating the date, reason for staying late and what transportation they will be taking home.

ATTENDANCE PROCEDURES

Absence:

This attendance procedure is in accordance with State Law (NJAC 6:20-1.3:NJJA-18A:38-25 et seq.), State Dept. of Education recommendations and the Board of Education Policy/Regulation #5113. It is designed to guarantee the maximum educational opportunity for all students.

1. Attendance will be taken/recorded on a daily basis and all subsequent parent/school contacts will be recorded accordingly.
2. Parents of absent students will be called if no confirming notice (phone call) has been received by the school by 9:00 a.m. This will be done on a daily basis.
3. Written notification of a possible attendance problem will be sent home after **five (5)** cumulative days of absences.
4. Notices will be sent home as a result of continued absences at ten (10) days and fifteen (15) days respectively.
5. A meeting may be scheduled between the school (administration, guidance, etc.) and the parent after **fifteen (15)** cumulative absences.
6. Continued failure to improve established negative attendance patterns may result in the formal filing of charges in Municipal Court by the attendance officer and/or administration.

Note: Intervention may involve the Child Study Team, Division of Youth and Family Services, the Probation Dept., etc. where applicable.

Tardiness:

Homeroom is the first scheduled responsibility for students and begins at 8:40 a.m. Students are considered late for school if they arrive after the homeroom/attendance period. Lateness to school (tardy) will be handled as follows:

1. First tardiness – verbal warning from Attendance office.
2. Second tardiness – warning letter from Attendance office.
3. Third tardiness and thereafter after-school detention will be assigned.

Anyone with excessive tardiness will be subject to review by the Principal.

Excused Absences/Tardiness:

Excused absences/tardiness are a recognized possibility, and the previous procedures need not apply in such instances. However, the Board of

Education reserves the right to verify/investigate statements of an absence (excused) and/or required written medical “excused,” in accordance with law. (Example of an excused absence or tardiness would be religious reasons or a doctor’s medical excuse.)

Cutting Class:

A student has cut class when he/she fails to attend. The student may receive a detention for each incident of cutting class.

BUS TRANSPORTATION

When riding the bus, maturity and good sense should always be used. Misconduct on the bus could result in serious injury. Disciplinary action and revocation of riding privileges will apply for misconduct.

Following are the Bus Rules and Regulations as applying to all riders of school busses in the Mount Arlington Public School District.

1. Students who are transported by bus are not permitted to walk home without written parental permission.
2. Walkers are not permitted to ride the bus to a friend’s house.
3. The school bus drivers have been employed by the Board of Education and have complete authority over pupils during the time they are being transported.
4. Bus drivers have been trained in safety rules and regulations pertaining to student transportation. In case of emergency, students should remain seated and remain calm and quiet until instructions have been given by the driver.
5. Students should step on and off the bus quickly and quietly, without crowding, pushing or shoving.
6. Students must be on time and ready to be picked up when the bus arrives at the stop. It is advisable to be at the bus stop at least five minutes before the bus is due to arrive.
7. Students waiting for a bus should remain back from the edge of the road and not enter the road until signaled by the driver.
8. If a bus stop is in a residential area, students are reminded that the rights of private property owners must be respected.
9. During the bus ride, students must remain seated and the throwing of any material is strictly prohibited and will be dealt with as

a serious disciplinary act. **SEAT BELTS MUST BE WORN.**

10. Students must remain seated until the bus comes to a complete stop.
11. The extension of arms or heads out of the school bus window is **STRICTLY FORBIDDEN.**
12. Aisles must remain clear at all times. Materials (books, projects, etc.) must be placed within the confines of the seat itself. As it is impossible to carry large projects on a school bus, students should make arrangements with their parents in this matter.
13. Conversation in normal tones is permissible, but loud talking or profane language will not be tolerated.
14. Students riding a bus may select seats of their choice. If, however, in the judgment of the bus driver, this privilege is being abused, individuals concerned, or the entire bus, will be given assigned seats.
15. After leaving the bus, students should always cross the street or highway in front of the bus, looking in both directions and proceeding with caution.
16. Students are to ride to and from school on the assigned bus and get on and off the bus at their designated bus stop.
17. Late Bus: The late bus picks up at 4:15 p.m. and will let students off at various stops in town as close to their home as possible. This stop may not necessarily be their usual stop.
18. Bus transportation is strictly used to transport students to and from school. Bus passes **will not be issued** to ride to a friend's home. Only in an emergency situation will a bus pass be issued. All requests must be made in writing and brought to the Main Office during a.m. homeroom on the day of the requested change. **Students will not be permitted to ride on a bus other than their assigned bus.**
19. Students are not to bring food on the bus to eat.

CAFETERIA

The school cafeteria is maintained as a vital part of the health program of the school. To encourage good nutrition, a well-balanced lunch is offered at a reasonable price. All students will be expected to:

1. Respect all adults.
2. Deposit lunch litter & garbage in wastebaskets.
3. Return all trays and utensils.
4. Leave the table & floor around their location in clean condition.
5. Never take food out of the cafeteria.
6. Walk at all times.
7. Glass bottles or containers, soda cans, and carbonated drinks are not permitted.
8. Handle food properly. **FOOD THROWING IS NOT ALLOWED.**
9. Bring enough money for lunch. Credit will only be extended by the cafeteria if a student has lost or forgotten his/her money. **No further credit will be extended until this debt is paid back.** It is important that students learn to exhibit responsibility; therefore, as an emergency procedure students will be **limited to five loans in any given school year. Loans for ice cream, pretzels, cookies, and seconds will not be given.**
10. Rules set by lunch supervisor are posted and must be adhered to.

LUNCH DETENTION

Lunch detention may be assigned to any student who acts inappropriately during lunch. The student will have his/her lunch privileges suspended and will be referred to the lunch detention room. Lunch detentions may also be assigned for other offenses.

CARE OF SCHOOL MATERIALS

Any student who writes graffiti, defaces desk tops, chairs, or any school property will be subject to firm disciplinary action in addition to financial compensation.

Textbooks and library books are loaned to the student and they are expected to be treated with care. All textbooks are to be covered with commercial book covers or with heavy paper, cloth, or plastic. Lost or damaged textbooks must be paid for immediately. The fines for these books must be paid to the main office at the time of damage or loss.

CENTRAL DETENTION

1. A detention may be issued to those students who do not obey school rules and regulations. A detention is served after school until the late bus is provided.
2. If any student skips a detention for any reason, the detention is doubled.

3. If an assigned detention is cut with defiance or served with defiance, a student may receive an additional three days detention or suspension and a parent or guardian must accompany the student to school for an administrative meeting prior to entrance.
4. If a make-up detention is cut, it will be considered defiance.
5. When a student receives eight detentions and upon the recommendation of the staff, he/she may be suspended.
6. If a parent refuses to allow their child to serve a detention, the Principal must notify the Superintendent.

COURTESY

Courtesy to teachers, fellow students, and visitors will always be expected. Treat all adult employees of the school with courtesy. Rudeness will not be tolerated at any time.

DISCIPLINE

It is only possible for teaching and learning to be successful if respectful behavior is maintained. An important function of education is to instill within every student the importance of laws, regulations, order, character, honesty, cooperation, and self-restraint. Maturity and good

judgment will be expected at all times. Students will be held accountable for their actions if such actions are or could be harmful to the best interests of the school and those within. Students who break school rules and who interfere with the education of other students may lose privileges such as class trips, dances, sports events, assemblies, etc.

Detention Form Procedures include: name, date, homeroom, infraction, signature, and comments. The discipline forms will be distributed in the following manner:

The teacher assigning the detention gives the Disciplinary Referral to the Principal prior to the end of the day. Parents will be notified by phone and/or a written notice.

DRESS CODE

Students are expected to wear clothing that is neat and clean at all times. In addition, footwear must be worn at all times.

Naturally, we want you to have pride in yourself as well as your school. Proper grooming is visible evidence of such pride. Students will not wear hats in the building, except for school "Spirit Days." Students should not comb their hair or apply make-up in class or in the cafeteria.

Subsequent Offense: In addition to the above, the student must change into appropriate clothing and serve one detention for each subsequent offense.

DRUGS AND ALCOHOL

Be advised that the possession and use of drugs is illegal and harmful. The school district prohibits the use, possession and/or distribution of any drugs, tobacco, or alcohol on school premises, at any event away from the school, and on any transportation vehicle provided by the school. Pupils suspected of being under the influence of drugs or alcohol will be identified, evaluated, and reported in accordance with the law. Disciplinary sanctions up to and including expulsion and referral for prosecution will be imposed on students who violate the standards of conduct. A disciplinary sanction may include the completion of an appropriate rehabilitation program.

Disciplinary action will be determined and acted upon according to the severity of the offense and on the basis of the nature and amount of the substance consumed, circumstances of the offense, number of offenses, and the nature of the offense.

EARLY DISMISSAL

Students may be dismissed early provided that a note is sent to the homeroom teacher by the parent. A parent must come in to the school office to pick up a student in such cases. If possible, it is recommended that dental and other appointments be arranged at times other than school time.

PLEASE NOTE:

Students will not be released to anyone under the age of eighteen (18) years of age unless parent gives written permission.

Parents picking up a student at the end of the day should do so prior to 2:30 p.m. After that time students will be dismissed with walkers only. Any changes to students' normal dismissal procedure must be requested in writing. The request must be delivered to the office no later than the end of first period. Exceptions will be made for emergencies. Due to limited capacity, students are not permitted to ride other buses than the one assigned to them at the beginning of the year.

EMERGENCY SCHOOL CLOSING

If school is to be closed due to inclement weather, an announcement will be made on Channels 2, 4, 5, 7 and 12.

EXTRA HELP

You may always seek extra help from your teacher if you do not understand an assignment, if

the work is difficult, or if you have been absent and have missed assignments and class discussions. Arrange a conference with your teacher at a convenient time for both of you.

A teacher will sometimes request a student to come in before school or stay after school if it is apparent that the student is having difficulty with his/her work. This is not to be thought of as a punishment, but rather as the desire of the teacher to help you make the progress of which you are capable.

FACULTY ROOM

Students should respect the privacy of the faculty room at all times. Unless students are given special permission, they are **NOT** permitted in the faculty room.

FINES

All fines for books and school materials should be paid to the office.

Progress Reports:

Biweekly (one every two weeks) progress reports may be issued through the Principal in special instances. These biweeklies will keep the parents apprised of their child's progress in school and are only for those students who are at risk. Continual monitoring will determine effectiveness and continuance of biweeklies. These reports are to be signed and returned to the Principal.

Progress Reports, when deemed appropriate by the teacher, are issued during the marking period, but generally are sent home mid-marking period. These reports alert you and your parents to the problems you might be encountering in your class work. Every homework assignment shall be reviewed by the teacher and promptly returned to the pupils. A student may receive detention for not doing a homework assignment.

HOMEWORK-PARENT RESPONSIBILITY

Daily homework assignments serve several important purposes. Homework provides opportunity to practice newly learned skills, to develop good study habits and to learn to work independently and become self-reliant.

Homework provides parents with the opportunity to be aware of what their child is learning and how well he/she is mastering the class work. A parent's positive attitude toward homework can

greatly affect a child's willingness to complete assignments to the best of his/her ability. Parents can help by:

1. **Encouraging their child to complete and return homework assignments on time, and to do their best work.**
2. **Providing a suitable study environment, i.e., as free from distractions as possible, adequate lighting, consistent time, etc.**

Notice of consideration of retention must be given in advance and whenever feasible no later than six (6) weeks before the end of the school year. Regular attendance is a requirement for promotion. Accumulated absences of eighteen (18) days or more, without extenuating circumstances, will be a factor in promotion.

A form containing full information and details of the trip is provided by the school. Students failing to secure this written permission will not be permitted on any school trip. Students who misbehave while

on a class trip will subject themselves to disciplinary action and possible suspension from school.

SPECIAL HEALTH PROBLEMS

Students with health problems are to report to the school nurse at the beginning of the school term or when such a problem arises. Special problems include: vision, hearing, diabetes, epilepsy, recent surgery, medication or anything else that may limit students at school. If a student becomes ill during the school day, he/she should request permission from the teacher to go to the nurse. If the nurse is not in her office, report directly to the main office. If it is necessary for a student to receive medication during school hours, the family physician should send the nurse, along with a note from the parents, specific instructions concerning: amount, time of the day to be given, and duration of time medication is to be taken.
